### 10 oz. Redmond Clay™

For many generations, primitive people carried a ball of clay with them in their packs. Some of this clay was dissolved in water and ingested with their meals. Clay was the natural medicine used by the natives for fighting many stomach ailments, dysentery, and food infections. Redmond Clay can be used internally and externally. (6 bottles per case)

### 6 lb. Redmond Clay™ Bucket

Redmond Clay has been used for generations to help support digestive health. For many years, people have taken clay when they've had diarrhea, constipation, heartburn, stomachache, acid indigestion and extreme digestive problems. Redmond Clay has also been mixed into a poultice and applied to cuts, bruises, insect bites, bee stings, rashes, acne, burns, severe dry skin, and achy joints.

### The Healing Power of Clay By Michel Abehsera

Learn about clay and its many uses. For generations people have used clay internally as well as externally to promote healthy digestion and healthy skin.

### Salt Your Way To Health By David Brownstein, M.D.

This book will show you why salt is the most misunderstood nutrient.
